Rationale

Careers education and guidance programmes make a major contribution to preparing young people for the opportunities, responsibilities and experiences of life. A planned progressive programme of activities supports them in choosing from a variety of different options that suit their individual interests and abilities and helps them to follow a career path and sustain employability throughout their working lives.

Commitment

Haberdashers' Adams is committed to providing our young people with a programme of careers education, information, advice and guidance (CEIAG) for all pupils in Years 7 – 13.

Haberdashers' Adams endeavours to follow the National Framework for CEIAG 11 – 19 in England and other relevant guidance from government agencies¹.

Aims

Haberdashers' Adams' CEIAG policy has the following aims:

- to contribute to strategies for raising achievement, especially by increasing motivation
- to support inclusion, challenge stereotyping and promote equality of opportunity
- to meet the needs of all our pupils through appropriate differentiation
- to focus pupils on their future aspirations
- to encourage participation in continued learning through higher education, further education and apprenticeships
- to enable pupils to make informed decisions and thereby maximise retention in higher education, further education and apprenticeships
- to develop enterprise and employability skills
- to contribute to the economic prosperity of individuals and communities
- to involve parents, carers, alumni and the wider business community

Roles / Responsibilities and Accountability

The Head of Careers plans and co-ordinates the careers programme and is responsible to the Headmaster and Governors. Work Experience is also the responsibility of the Head of Careers in conjunction with external agencies.

The Head of Sixth Form (Mrs Charlotte Harman) and Sixth Form Office guide pupils through the application process for post-18 opportunities as part of their programme to prepare pupils for life beyond Haberdashers' Adams.

- Feedback from external partners and alumni in relation to specific events as appropriate
- Annual audit of careers learning within other subjects' curriculum and through enrichment activities strongly connected to the formal curriculum.
- Use of Compass self-evaluation tool to track and measure the school's careers programme against the Gatsby Benchmarks
- Bi-annual careers coordinators' best practice meetings with other Haberdashers' schools
- Bi-annual HAFT Careers Committee (federated with Haberdashers' Abraham Darby)
