

## **Haberdashers' Adams Provider Access Statement**

High quality careers education and guidance in school or college is critical to young people's futures. It helps to prepare them for the workplace by providing a clear understanding of the world of work including the routes to jobs and careers that they might find engaging and rewarding. It supports them to acquire the self-development and career management skills they need to achieve positive employment destinations. This helps pupils to choose their pathways, improve their life opportunities and contribute to a productive and successful economy.

As the number of apprenticeships rises every year, it becomes increasingly important that all young people have a full understanding of all the options available to them post-16 and post-18 including wider technical education options such as T-Levels and Higher Technical Qualifications.

### **Commitment**

Haberdashers' Adams is committed to ensuring there is an opportunity for a range of education and training providers to access pupils, for the purpose of informing them about approved technical education qualifications and apprenticeships. Haberdashers' Adams is fully aware of the responsibility to set pupils on the path that will secure the best outcome which will enable them to progress in education and work and give employers the highly skilled people they need. That means acting impartially, in line with the statutory duty, and not showing bias towards any route, be that academic or technical.

Haberdashers' Adams endeavours to ensure that all pupils are aware of all routes to higher skills and are able to access information on technical options and apprenticeships (The Department of Education, July 2021: "Baker Clause": supporting students to understand the full range of education and training options, and the Provider Access Legislation, January 2023).

### **Aims**

Haberdashers' Adams policy for Access to other education and training providers has the following aims:

To develop the knowledge and awareness of our pupils of all career pathways available to them, including technical qualifications and apprenticeships.

To support young people to be able to learn more about opportunities for education and training outside of school before making crucial choices about their future options.

To reduce drop out from courses and avoid the risk of pupils becoming NEET (Young people not in education, employment or training).

### **Pupil Entitlement**

Haberdashers' Adams fully supports the statutory requirement for students to have direct access to other providers of further education training, technical training and apprenticeships. The school will comply with the new legal requirement to put on at least six encounters with providers of approved technical education qualifications or apprenticeships. This will be done in assemblies, lunchtime meetings and during events such as Progression Week.

### **Equality and Diversity**

Access to other providers is available and promoted to allow all pupils to access information about other providers of further education and apprenticeships. Haberdashers' Adams is committed to encouraging all students to make decisions about their future based on impartial information.

### **Requests for access**

Requests for access should be directed to Head of Careers Sonya Wilson by telephone or email, 01952 953837 [sonya.wilson@adamsgs.uk](mailto:sonya.wilson@adamsgs.uk)

### **Grounds for granting requests for access**

Access will be given for providers to attend during school assemblies, for lunchtime talks or drop in sessions or events that the school is arranging. Pupils may also travel to visit another provider as part of a trip.

Haberdashers' Adams will provide an appropriate room or assembly hall to be agreed. All rooms have computers, projectors and screens provided. Computer rooms can also be arranged. The Head of Careers will organise this, working closely with the provider to ensure the facilities are appropriate to the audience. Appropriate safeguarding checks will be carried out. Providers will be met and supervised by a member of the Head of Careers who will facilitate.

### **Live/Virtual encounters**

Haberdashers' Adams will consider live online encounters with providers where requested, and these may be broadcast into classrooms or the school assembly hall. Technology checks in advance will be required to ensure compatibility of systems.

### **Parents and Carers**

Parental involvement is encouraged, and parents may be invited to attend the events to meet the providers.

### **Management**

The Careers Leader coordinates all provider requests and is responsible to her senior management line manager.

### **Appendix**

Providers who have been invited into Haberdashers' Adams in the last 12 months include:

Below provided as an example

Stafford College

Telford College

Shrewsbury College

North Shropshire College

Crossbar Academy
