

Careers Insights

Discover a wealth of careers related content; click on the picture to find out more.

This week's edition focuses on opportunities in the creative sector, from film and TV to theatre and animation.

APPRENTICESHIP

SCHEME OF THE WEEK

Reach is Warner Brothers Studio's apprenticeship scheme. The scheme offers a start in the world of film and TV and aims to provide a route into the industry without needing a specialised degree while gaining invaluable experience among experts in the field.

Careers involving Art & Design can be incredibly diverse – from designing the World Cup football to being paid to fight monsters. Discover just a few of them by clicking on the link below.

TALK 2 DAN

Creative Virtual Work Experience

Talk2Dan is offering a virtual work experience programme that will give pupils the opportunity to design the set for their new show Walk & Talk 2 Dan. Walk and Talk 2 Dan is an in person weekly show, that features content based around pain points faced by young creatives such as CV's networking and building an online presence.

Suitable for pupils in Year 11.

YOUNG ANIMATOR OF THE YEAR UK

The YAY UK competition is designed to discover and celebrate the best young animators in the UK, aged 11-18. The competition runs from April to September and the winning films will be announced and premiered at Manchester Animation Festival in November.

GET INTO THEATRE

Find thousands of ways to get into theatre

This is fantastic website to find out more about the wide range of opportunities available in the Theatre. Hear the stories of those who have successfully pursued their dream and get top tips on how you could follow in their footsteps.

Prop Maker

You might like to follow in the footsteps of ON Michael Lloyd who is now sailing the world with Disney Cruises in charge of their amazing array of props and costumes. Prop makers will be innovative and creative individuals who can work to a deadline and cope well under pressure.
