APPRENTICESHIP

SCHEME OF THE WEEK

Barclays has opportunities for those with GCSEs or A Levels. Opportunities are available in technology, cyber security, operations, user experience, risk, compliance, audit and analytics. The scheme isn't currently accepting applications but you can register your interest for when it is.

A Career as an Engineer

Online Masterclass

When: Wednesday 31st July at 2:30-4pm

This Masterclass will be delivered by a Charter mechanical Engineer who will give an insight into his career path and the projects he's worked on as well as giving you the opportunity to ask questions.

Virtual Logistics Work Experience

We take for granted the fact that we can order something one day and it be delivered the next but how do global companies make that happen and how will advances in technology change this in the future? Discover the answer to these questions and more with this virtual opportunity.

Quiz: Can you guess which jobs these politicians used to do?

Guess their old jobs

See if you can figure out what these politicians used to do for a living.

Most politicians have done something else before they decide to run for parliament – take this quiz to discover what some of the most prominent politicians used to do.

Pupils interested in Architecture, Chemical Engineering, Design, Education, Engineering, Geography, Land Economy, Law or Psychology can apply for a place on Christ's College Summer School.

Social Media Manager

A social media manager manages an organisation's online presence by developing and implementing their social media strategy.

They lead campaigns and projects across a range of social media channels, producing engaging content, analysing usage data and building client relationships.

You will need a good knowledge of all social media platforms as well as excellent communication skills in order to quickly build strong relationships with clients and colleagues.
