This is a really good starting point if you are wondering how to support a pupil and discover what has changed since you were at school.

All pupils in Year 9 and above have a Morrisby account. Taking the Morrisby Profile can help pupils find their ideal career direction. It uses scientific profiling of abilities, personality, interests and motivation to help them discover their own unique characteristics. Follow the link below to find out how your son or daughter can use their account to make informed choices.

THE MAKING OF

JB Gill, Alexandra Wilson and Becky Adlington

Parents are one of the biggest influences in a child's life, especially when it comes to careers. As a parent, you don't need to understand the ins-and-outs of the career your child wants to give them the support they need to achieve their aspirations. Watch as the parents of three successful young people explain how having regular conversations with their children helped to define the working lives they went on to have.
