

Much like universities, which offer varying levels of education quality and student experience, Degree Apprenticeship providers also differ significantly. The Sunday Times rankings are designed to help pupils identify the best providers. However, as with all league tables, this list should be used alongside other tools and resources to make a well-informed decision.

Shrewsbury School is hosting a Law Panel Evening on 20th November, aimed at **Sixth Form pupils** interested in pursuing a career in law. The evening will provide an opportunity for pupils to network with local legal professionals and ask questions to a panel of speakers about their experiences in legal practice, routes into the profession, and the various career options available within the legal sector.

The School Leaver Roadshow is aimed at **Year 11 pupils** who want to explore their options for post-GCSE education. Both events bring together a range of providers, including colleges, schools, and apprenticeship organisations, who can offer advice on A Levels, T Levels and vocational qualifications. The Shrewsbury event will take place at Cineworld on **Monday 22nd September**, between 4:00pm and 8:00pm. The Telford event will be held on **Saturday 27th September** at the Holiday Inn, from 9:30am to midday. Pre-booking is advised.

Keen followers of the news may have heard about the recent **\$30 billion investment** that leading US tech firms have committed to the UK. Business leaders have declared that “the UK will be an AI superpower.”

While we often hear about the threats AI poses to jobs, particularly entry-level roles, it’s equally important to consider the opportunities it presents. Click on the image to read an article about the types of roles that will be available in the AI sector, and the skills and qualifications you’ll need to succeed.
