

Admissions 2026 Results

The entry requirement score for Year 7 2026: 205

The entry requirement score for Pupil Premium candidates only for Year 7 2026: 195

3. Oversubscription for day places

Where the number of candidates who have achieved the required standard exceeds the number of places available the following oversubscription criteria will be applied in order to decide which children are to be admitted:

1. A 'looked after child' or adopted.
2. Children who are eligible for the Pupil Premium, including children eligible for the Service Premium, on the date of their Entrance Exam. These pupils will need to achieve a qualifying score no lower than 5% below the general qualifying score.
3. Children who are on roll on the date of the Entrance Exam at one of the primary schools on the designated list.
4. Rank order according to the result of the entrance test (assuming the applicant has reached the required academic standard).

If you are considering using one of our dedicated schools' buses, please be advised that the buses are popular and always run at full capacity. As such there are no guarantees that a place will be available for your child. All routes do have students on waiting lists from previous academic years. We strongly recommend that you consider other possible transportation arrangements as a back-up plan. Please **do not contact** the school regarding buses yet. If you receive an offer email with an enrolment link in March 2026 the bus information will be included once, you have completed the required enrolment form and only then can you place an interest in a bus place. If you wish to view the current bus routes in advance please visit: [Transport | Haberdashers' Adams](#).
