Spring 2026 Issue 2

LATEST EVENT

Year 11 Twilight Tasters – February 2026

Telford College are running Twilight Taster sessions on 2nd February for Year 11 pupils, offering an insight into what it's like to study a specific subject at college. These sessions are designed specifically for Year 11 pupils and require pre-registration – a link to register can be found by clicking on the image.

Radiography Open Day 21st March

Pupils aged 16 and above are invited to take part in a Radiography Open Day with the Shrewsbury & Telford NHS Trust. Pupils will gain insight into the department and learn more about the training and employment opportunities available. This opportunity is suitable for pupils who are specifically interested in radiography, as well as those considering a career in medicine, as it offers insight into an area of healthcare they may not have previously considered.

St Catharine's College
Cambridge

SCHOLAR(St Catharine's Humanities Outreach-Led Access Residential)

This programme is aimed at Lower Sixth pupils who are considering studying an arts or humanities subject at university. The residential offers successful applicants the opportunity to explore a range of subjects in greater depth, experience life at Cambridge, meet current students and staff, and learn more about the application process and Cambridge as a city.

Google Virtual Work Experience

Digdata have collaborated with Google to deliver two virtual work experience opportunities at 5pm on 28th and 29th January. These programmes include briefings from Google staff, followed by a career-focused challenge to complete, with a certificate awarded upon completion.

FIRST STEP Yrs 7-9

NEXT STEP Yrs 10-13
